

SAVE THE DATE

**ESO MASTERCLASS IN
NEURO-ONCOLOGY:
MULTIDISCIPLINARY
MANAGEMENT OF
ADULT BRAIN TUMOUR**

8-10 October 2020

Milan, Italy

Chairs:

P. Mortini, IT

G. Pesce, CH

MASTERCLASS

The Masterclass offers plenary lectures regarding state-of-the-art clinical evaluation and treatments with reference to clinical guidelines and which will conclude in take-home messages in management of adult brain tumours. Participants will deliver case presentations within groups sessions: These sessions will also give to the participants the opportunity to exchange ideas with the experts about the proper management of the more problematic cases encountered in the daily practice while treating patients with brain tumours. All participants will reside at the course venue and participation is compulsory throughout the course. The Masterclass will be entirely in English and fluency in English is necessary for admission.

LEARNING OBJECTIVES

- Improve of neurologists, radiation oncologists, medical oncologists and surgical oncologists/neuro-surgeons skills
- Practicing case discussions
- Update on the current standards of neurosurgery with special focus on intraoperative imaging, monitoring and neuro-navigation.
- Improve the knowledge on current radiotherapy standards and techniques (IMRT, stereotactic radiosurgery, protons, etc.)
- Update on epidemiology, combination of radiotherapy with surgery and drug therapy, clinical trials management

MAIN TOPICS

- Clinical management of patients with primary and metastatic brain tumors
- Technical improvements, altered fractionation, specific aspects of high precision radiotherapy, radiosurgery, chemo-sensitization and other aspects of medical therapy
- Supportive treatments, symptom control both in palliative and curative intent

PARTICIPANT'S PROFILE

- Neurologists, radiation oncologists, medical oncologists and surgical oncologists/neuro-surgeons with at least 2 years experience in neurosurgery, radiotherapy or neuro-oncology.
- Aged between 30 and 40 years
- Involvement in scientific activities (desirable)
- Fluency in English

APPLICATION DEADLINE:

- **21 June 2020**
